The Wisconsin Works (W-2) and Related Programs Implementation Contract and Amendments to the Contract are amended to offer an option to carry over Community Reinvestment (1997-1999 Wisconsin Works Implementation Contract) funding to the 2002-2003 Wisconsin Works (W-2) and Related Programs Contract.

1. Funding Option for Carry-Over of CR

W-2 agencies have the option to designate a portion of Community Reinvestment funding, not to exceed their available amount, to carry over for use in the period beginning January 1, 2002, and continuing through June 30, 2002. These carry-over funds may be used to supplement their next W-2 Contract or to continue a Community Reinvestment project which was previously approved by the Department. In order to exercise this option, the W-2 agency must submit to the Department by October 15, 2001, the attached Agreement specifying the amount of Community Reinvestment funding to be removed from the 2000-2001 Wisconsin Works (W-2) and Related Programs Implementation Contract. Seventy-five percent (75%) of the amount of the Community Reinvestment funding removed will be issued in an Amendment to the 2002-2003 Wisconsin Works (W-2) and Related Programs Contract.

2. Other Terms and Conditions

All other terms of the Contract and Amendments continue except as amended in this Amendment.

Please sign each original and return one to the Department's Contract Manager for your W-2 agency.

IN WITNESS THEREOF, the Purchaser and the Provider have executed this Amendment on the dates set forth below.
